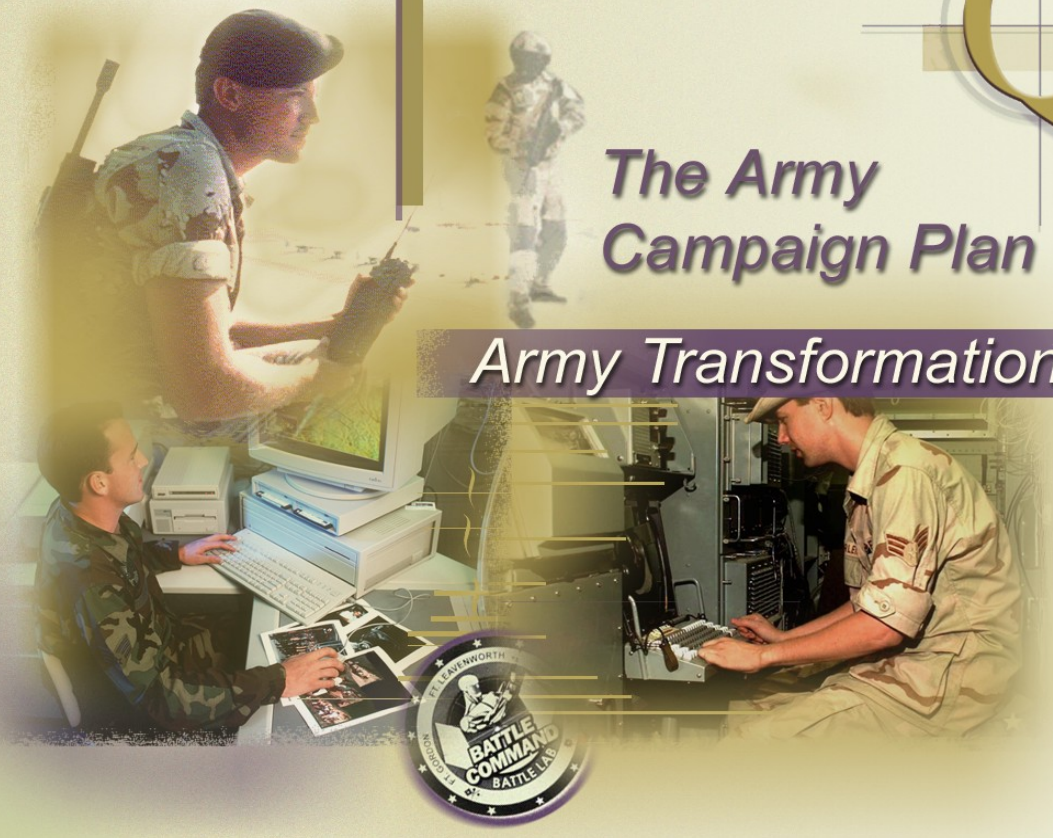
The Army Campaign Plan

Army Transformation



What is Transformation?

Why Transform?

The U.S. Army is the best trained and best equipped army in the world!

Why Transform?

Department of Defense Transformation Planning Guidance

A Strategic Imperative for 5 Reasons

1) Difficulty with the status quo
2) Growing asymmetric threats
3) Rising force-on-force challenges
4) Historic opportunity
5) High stakes

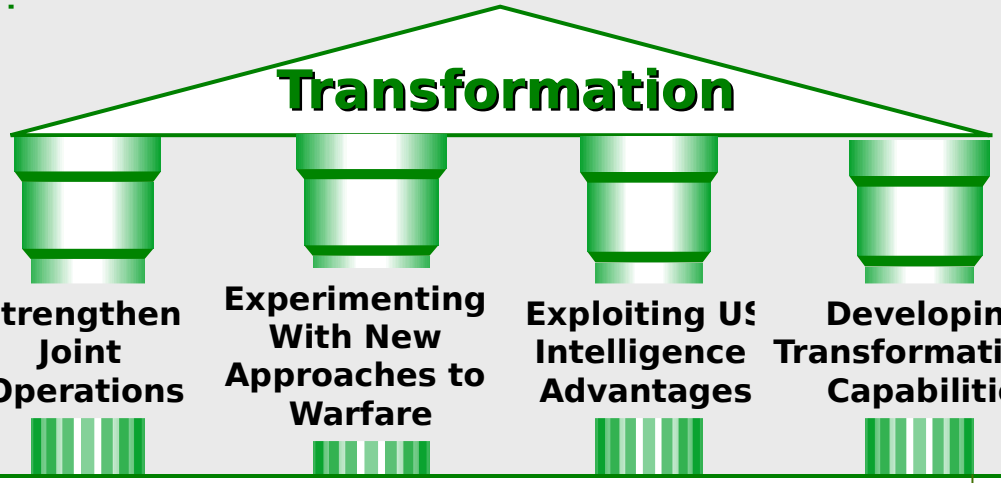
DOD Transformation Goals and Transformation Pillars



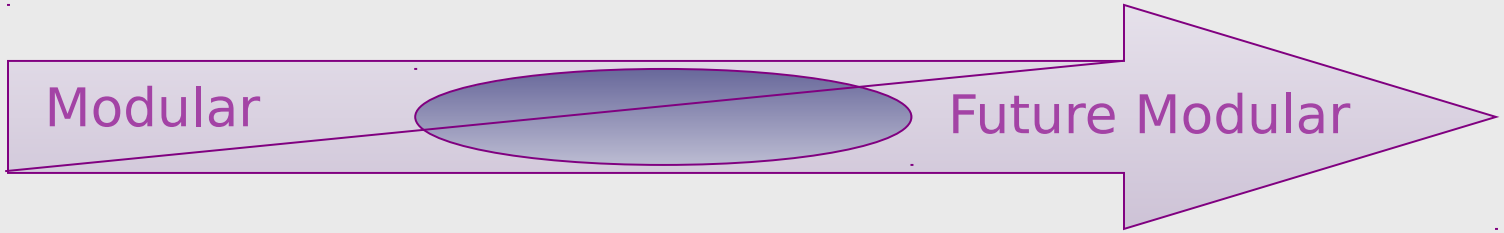
DOD Operational Goals

- Protect the US homeland and our bases overseas
- Project and sustain power in distant theater
- Deny our enemies sanctuary
- Protect our space capabilities from enemy attacks
- Use information technology to link US
- Protect our information networks from

Army capabilities are nested in DOD transformation guidance and emerging joint operational concepts

EVOLVING ARMY TRANSFORMATION

Fully Networked Battle Command capabilities bridge from the Current (Modular) to Future Force (Future Modular) and enable interdependent network-centric warfare



Enhanced Capabilities

Increasingly:
- *Integrated*
- *Expeditionary*
- *Networked*
- *Decentralized*
- *Adaptable*
- *Decision Superior*
- *Lethal*

Accelerated Development and Fielding of DOTMLPF Solutions

Characteristics of Army Transformation:
Responsiveness, Deployability, Agility, Versatility Lethality, Survivability, and Sustainability fully Support Future Joint Force Attributes

Army Campaign Plan

“The requirement to transform the Army is based upon emerging security challenges of the 21st century and the need to respond more rapidly and decisively across the full spectrum of operations, a requirement reinforced by the continuing war on terrorism.”

…A Relevant and Ready Force

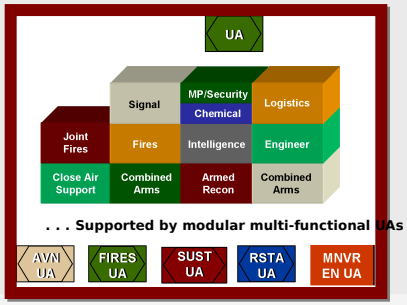
What is the immediate impact?

All the changes and adjustments we're making will make our Army more Relevant and Ready by giving us:

- More cohesive and combat ready formations
- More stable and predictable lifestyle for our Soldiers and their families
- More agile and tailorable units
- More high demand units and skills
- Commonality across the entire Army (Active and Reserve Components)

What is the Approach: A Synergy of Strategies

Stabilize Soldiers And Families



Create "Modular" Units

Restructure 100,000 Positions

Creates Larger Pool Of Agile, Cohesive, Deployable Units

These strategies working together will provide the Nation with a more capable Army with additional stability and predictability

What Isn’t Changing?

The Soldier is the Centerpiece of all our Units

Soldiers are:

- The most effective, flexible and adaptable asset we possess
- The Army’s best sensor – receives and processes information better than any technology
- The face of the United States overseas

Everything We Do is Designed to Support Them
